

2007 Report

Sponsor a Student

Each month, 32 students received assistance for their education along with a stipend.

- Examination fees were paid for 140 university students.

- Admission fees were paid for 17 university students.

- Examination fees were paid for 416 students in 9th & 10th grade levels.

- Examination fees were paid for 84 students in 11th & 12th grade levels.

- 42 other students received assistance in the form of admission and exam fees for other grade levels.

All admission fees, examination fees, and enrollment fees were paid directly to the school for each child.
